## **Scotiabank honoured with top Foreign Exchange recognitions in Canada, Hong Kong, Peru and Costa Rica**

Scotiabank's Global Foreign Exchange business has been awarded prestigious recognitions from Global Finance and Global Banking & Finance Review.

Global Finance has named Scotiabank as the **2016 Best FX Provider in Canada, Peru and Costa Rica**. This marks the 12th consecutive win for the Global Foreign Exchange team in Canada, as well as the seventh and sixth wins, respectively, for Peru and Costa Rica. As in previous years, the selection criteria were based on transaction volume, market share, scope of global coverage, customer service, competitive pricing and innovative technologies.

Global Banking & Finance Review has named Scotiabank as the **Fastest Growing FX Bank Hong Kong 2015**, recognizing the substantial growth of Scotiabank's Asian NDF business and CNH volumes, as well as large FX swap flows.

These awards reflect the ongoing commitment to clients demonstrated by Scotiabank's Global Foreign Exchange team, its unique footprint, with onshore capabilities across much of Latam and Asia, as well as its exceptional level of service and expertise. With dealing rooms and sales presence in major financial centres worldwide, Scotiabank builds strong client relationships with a precise understanding of institutional, government, corporate and commercial clients' needs in both developed and emerging markets.

Scotiabank's Global Banking and Markets business line provides corporate and investment banking and capital markets products and services to corporate, institutional and government clients across the globe. Scotiabank has over 30 Global Banking and Markets offices around the world and more than 300 relationship managers, organized around industry specialties.
