

ScotiaMocatta Honoured with Top Precious Metals Awards in India

ScotiaMocatta, Scotiabank's precious and base metals division, has been recognized with two awards in India – the "Best Agency Supplying Gold" from the Gem and Jewellery Export Promotion Council (GJEPC) and the "Best International Bank for Gold Dealers" from the Indian Bullion and Jewellers Association (IBJA).

We are honoured to receive these awards for our ScotiaMocatta business as they recognize the work we do to meet the needs of our clients in India and around the globe.

The *Gem and Jewellery Export Promotion Council (GJEPC)* honoured ScotiaMocatta for the seventh time in recent history and the fourth year in a row. The GJEPC acknowledgement recognizes Scotiabank's track record for a consistently high level of customer service for jewellery manufacturers in the export sector. The GJEPC is an all-India apex body for gems and jewellery representing about 6,000 members across India. Set up in 1966, it operates under the supervision of the Government of India's Ministry of Commerce and Industry.

Established in 1948, the *Indian Bullion and Jewellers Association (IBJA)* helps its members and the community at large with the promotion and regulation of bullion trade, address disputes and arbitrations between dealers, providing a neutral and correct platform to weigh precious metals acceptable to the trading community. The IBJA is an unbiased platform and is now considered the apex association for all bullion and jewellery associations in India.

With more than 160 professionals and 10 offices around the world, the ScotiaMocatta global precious and base metals group is second to none in the industry, providing clients with excellent service and an extraordinary breadth of industry and geographical specialisation.
